

WE'RE ON **facebook** JOIN US!

A Springwood Lakes Association Facebook group page has been created for you to share news, information and concerns with your neighbors in our associations.

Sure we have a great newsletter, meetings and social gatherings, but this Facebook page provides a faster way to let people know what is going on at Lakes 1 & 2. What kind of news can you post? Here are some examples:

- ◆ Notice a strange vehicle driving our roads — let people know.
- ◆ You or your grandkids catch a big fish — post a photo.
- ◆ You have a new grandchild — let people know (and post a photo).
- ◆ Is there an association or community meeting coming up — let people know.

You get the idea. You can post anything you want as long as it is not profane, derogatory or negative about your neighbors. Also, no political statements or endorsements. The group is open to all members in good standing in either associations and all you need to join is a Facebook page.

Go to [Springwood Lakes of Harrison](#) and click the “Join Group” button.

Note: This Group page is not an “official” part of either of the two associations, it’s just meant as a way to communicate. So, please join and invite others. (New group members need to be approved by a current group member.) Direct questions to Marty Johnson either send a message through the Facebook group page or call him at (734) 755-2638.

P.S. We’re also looking for a few folks to help administer this site, which means reviewing content on occasion to ensure it meets group guidelines.
